### 600X600MM

# TECHNICAL DETAILS

Frost  
Resistance

Lightweight

Resistant to  
High  
Temperatures

Stain  
Resistance

UV  
Resistance

Near Zero  
Porosity

Fire  
Resistance

Scratch  
Resistant

Built with superior Resistance to Weather and Environmental Stress, making them versatile for indoor and outdoor installations regardless of climate challenges. The Ultra-Low Porosity design ensures exceptional durability and simplified maintenance by resisting water absorption and surface degradation. face a journey through both space and centuries.

Engineered for exceptional Durability and Weather Resistance, these tiles maintain their performance across both indoor and outdoor applications in varying climate conditions. Their Near Zero Porosity ensures outstanding longevity and effortless maintenance by preventing water penetration and surface staining.

## LT-DK-HL SERIES

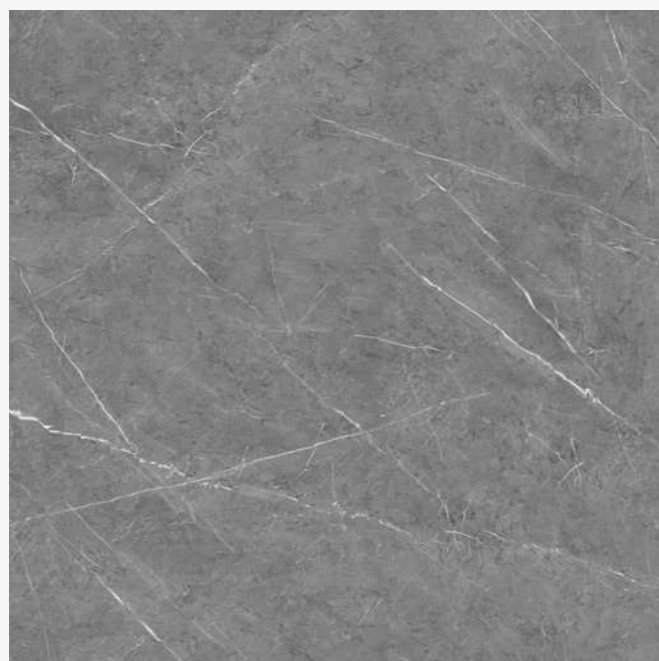

Discover the power of contrast with Light Dark series tiles. These innovative tiles feature bold tonal transitions that create captivating visual drama in any environment. Ideal for modern spaces demanding attention-grabbing feature walls or sophisticated flooring applications, this series transforms ordinary surfaces into extraordinary design statements through masterful interplay of light and dark elements.

Experience bold brilliance with Highlighter series tiles. Featuring vivid, eye-catching colors that energize any environment, these tiles create striking focal points with intense saturation and dynamic presence. Perfect for statement walls or vibrant flooring, this series transforms spaces into lively showcases of color and modern design.
