Since more than two decades quro group is renowned for the production of tiles that provide finesse, style and quality. our supreme quality is a result of leading edge 7 century production process that includes high end machinery. qualify control process, research and development as well as automation.

PERSIAN CARVING SERIES

Within the Persian Carving Series, stone transforms into liquid memory, flowing in waves of intricate detail that seem to ripple beneath exploring hands. Here, traditional motifs spiral into infinity

Each carved panel whispers of desert winds and palace gardens, where artisans carved not just porcelain but time itself into permanent form. The surfaces create their own weather system of light and shadow, making each surface a journey through both space and centuries.

TECHNICAL FEATURES!

These DC Series tiles offer outstanding durability with advanced scratch resistance, stain resistance, and thermal stability. Engineered for high-performance environments, they also resist moisture, UV rays, and chemical exposure. The robust manufacturing process ensures lasting quality, while the precise finish maintains its elegance even under heavy use. Ideal for both residential and commercial spaces, DG tiles combine resilience with refined design
